**BACKGROUND/WHO IS THE KWA?**

# WHO IS THE KINGS WATER ALLIANCE?

- The Kings Water Alliance is a non-profit funded by a coalition of nitrate dischargers regulated under new Salt and Nitrate Control Programs
- The Kings Water Alliance is implementing programs that provide safe drinking water to nitrate-impacted residents

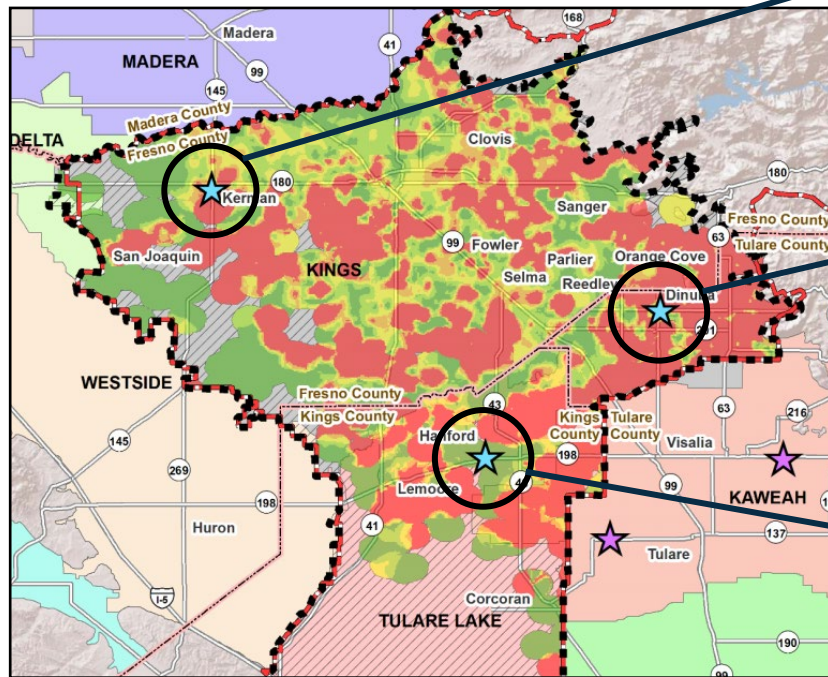

# WHAT IS THE KINGS WATER ALLIANCE DOING NOW FOR RESIDENTS?

- **In 2019, the State Water Resources Control Board adopted the regulatory framework for a new Nitrate Control Program with three goals:**
  - **Provide short- and long-term safe drinking water supplies to residents impacted by unsafe levels of nitrate (>10 mg/L-N)**
  - **Reduce nitrate impacts to water supplies**
  - **Restore groundwater quality, where reasonable and feasible**

## Take the next step toward safe drinking water

### Fill out the form at the link below

The Kings Water Alliance **Early Action Plan** outlines safe drinking water solutions for residents impacted by unsafe levels of nitrate in groundwater.

If you live in the Management Zone and drink from a well with nitrates above safe drinking levels, you may be eligible to receive free drinking water solutions like bottled water.

#### ELIGIBILITY:

1. Your residence is located within the Priority 1 area of the Kings Water Alliance. [An interactive map \(here\)](#) will verify that you live in the Kings Water Alliance.
2. Confirm your drinking water well has unsafe nitrate levels. Complete the form at the link below to receive additional information about free well testing and drinking water solutions. If you already have a water quality analysis from a certified laboratory in the last five years, a test may not be necessary.
